## Special Observances in Schools

**1. National Festivals:** Republic Day (January 26) and Independence Day (August 15) are national holidays observed across India. These are significant days celebrating the country's democratic values and independence.

**2. Regional Holidays:** Regional holidays are those observed in specific states, reflecting their cultural and traditional significance. For example, Vaisakhi in Punjab, Onam in Kerala, and Bihu in Assam are celebrated with enthusiasm. Such holidays are generally applicable in the schools of their respective states.

**3. Seasonal Breaks:** Seasonal breaks offer students much-needed rest during the year. By accommodating these breaks, schools ensure a balance between academic rigor and the well-being of students and teachers. Tentative dates for seasonal breaks in schools are as follows:

- **Summer Break:** Typically from mid-May to late June, depending on the school's academic calendar.
- **Winter Break:** Usually observed in late December, ranging from December 25, 2024, to January 5, 2025.
